

## Radschool Reunion 2016 update:

Happy New Year to the 95 folk who have responded favourably to our reunion to be held from Friday 22<sup>nd</sup> April 2016 and which, due to several requests, now includes a dinner on the Saturday evening.

The dinner on Saturday will be an “all you can eat” buffet at the Kedron Wavell Services Club, the listed cost is \$45 per head however we are discussing with the club the possibility of discounts and add-ons with a view to keeping overall costs down.

We are still negotiating and organising the trip to Airbus and the Caloundra aircraft museum as well as the Sunday excursion to the Aircraft Heritage centre at Amberley.

In addition, we are optimistic that we will be accepted into the ANZAC Day March under our own banner, further details to follow.

We have attached the proposed update of events for your information so that attendees can make all the necessary arrangements, travel, accommodation etc.

We will send out further information shortly requesting payment for the events, shirt sizes, where to send photos and your quiz questions.

The static display is coming together and we will be asking you to nominate your favourite song of the 50s, 60s, and 70s which will be playing in the ‘John Butler’ audio lounge, and available on the web together with the photos.

We look forward to seeing you all at the reunion.

John and Mal

Attach: Proposed Program of Events
