Pack up and wind down and final happy hour.

Thirst for Knowledge

During the course of the Muster we will be holding workshops of various types. These will be advised as we go along. So far we will be having visits from the NSW Police Service, NSW Ambulance, Temora Bush Fire Brigade and in the pipeline a visit from NSW Roads and Maritime Service. Sometimes it is beneficial to have a bit of a "refresher" on all things, that at some stage may impact on our travels, but hopefully will never eventuate.

We will also have information on electricals, mechanicals and tyres provided by our local service providers.

A commuter bus will be available for those requiring transport into the CBD.

With all this going on how could miss the inaugural TEMORA RV MUSTER?

If you require any further information or I can be of any help in any way, please do not hesitate to contact me.
