Bill Fewster.

Chloe Phippen writes, re Volume: 24, Page 9. She says "I am writing to you regarding the Late Mr William Fewster who was on number [12 Pilot's Course](#). I am an Advocate with Sydney Legacy and I am trying to assist Bill's widow in getting the War widows pension. I came across Bill's name on this site and in an article written in the Radschool Association Magazine ([Vol 24 by Frank Alley](#)) where he talked about some of the antics Bill got up to on service.

I am looking for someone who would have served with Bill while he was in Singapore during 1955-1956. (No1 Bomber Squadron, Tengah, RAAF Singapore) (*With Lincolns – tb*) Please feel free to contact me either via Ph 02 9248 9021 or email, cphippen@sydney-legacy.com.au

Any information you can provide would be greatly appreciated."

Kind Regards,

Chloe Phippen
