

*Eagle Riders we're the best
On 66 we've passed the test
Some of us wear leather vests
and all of the men have hairy chests
When we stop, the girls go shopping
While the men just keep on rocking
Harley's, Indians and one Honda
make biker travelling that much fonder.*

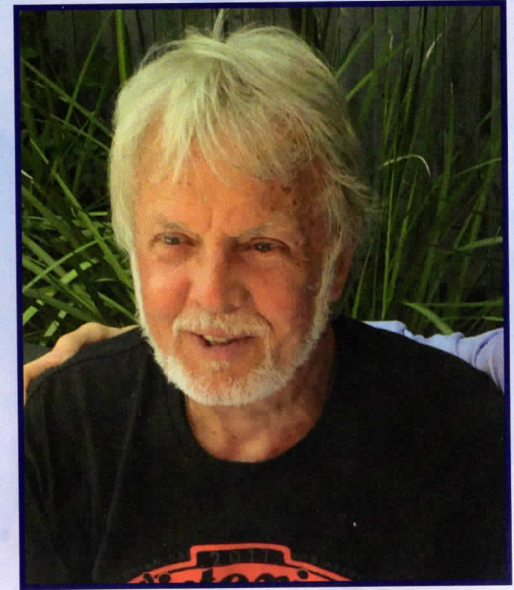

*By L.A. the bills arrive
And to pay them we will strive
We hope they aren't too outstanding
'Cause we deserve a happy landing*

*If tears could build a stairway
and memories a lane
I'd walk right up to heaven
and bring you home again
No farewell words were spoken
no time to say goodbye
You were gone before I knew it
and only God know why
My heart still aches with sadness
and secret tears still flow
What it meant to say I love you
No one can ever know
But now I know you want me
to mourn for you no more
To remember all the happy times
Life still has so much in store
Since you'll never be forgotten
I pledge to you today
A hollowed place within my heart
Is where you'll always stay.*
