# *Amberley Brass Engagement Request*

Amberley Brass is a Community Brass Band located on site at RAAF Amberley. Whilst we have an affiliation with Air Force and provide some musical services to Air Force, we are not a recognised Air Force band and are not funded by Air Force. Our membership comprises volunteers who are current and retired members of the Australian Defence Force as well as amateur musicians from the local Ipswich and Brisbane communities. Amberley Brass is a Not for Profit organisation with all proceeds from performance fees, if charged, being reinvested to offset band costs.

Upon receipt of your request Amberley Brass will provide you with a quotation (unless a free of charge service is offered). Should you choose to engage Amberley Brass, we will provide you with:

- *an invoice (unless agreement is reached to provide our services free of charge).*
- *a competed ATO form NAT 3346 "Statement by Supplier" declaring we are not required to provide an ABN.*
- *Certificate of Currency of our Liability Insurance coverage.*
- *Amberley Brass requests our customers provide 25 chairs without arms and sufficient water for 25 people for the duration of the event.*

We thank you for your interest in engaging our services for your event. To assist us in meeting your request, please complete this from and return it to band@amberleybrass.com
