

Eligibility Notes

- Permanent ADF - includes serving / ex-serving / national service member of the Permanent Forces of the ADF with one day's permanent service. This group will also include those entitled to:
 - treatment for an accepted service related injury or condition; and/or
 - Non-Liability Health Care (NLHC) for mental health conditions, cancer (malignant neoplasm) or pulmonary tuberculosis.
- Reservist with CFTS - a member / ex-member of the Reserve forces who has rendered a period of Continuous Full Time Service (CFTS). These members are treated the same as 'Permanent ADF'.
- Reservist with NLHC-MH eligibility - a member / ex-member of the Reserve forces without CFTS, but entitled to access Non-Liability Health Care (NLHC) for mental health conditions due to their service with Border Protection, Disaster relief, and/or Involvement in a serious service-related training accident.
- Reservist with accepted condition - a member / ex-member of the Reserve forces not recognised in the "Reservist with CFTS" but has an accepted service related condition.
- Reservist - a member / ex-member of the Reserve forces not recognised in the "Reservist with CFTS", "Reservist with accepted condition" or "Reservists with NLHC eligibility" categories.
- DVA Health Card Holders not above - a client who currently holds or becomes eligible for a DVA Health Card for an accepted service related injury/condition, NLHC eligibility, or other treatment entitlements such as:
 - War Widow/ers
 - Orphans and Eligible Young People
 - British and Commonwealth Allied (BCAL) veterans, eligible under the VEA and MRCA
 - Australian Federal Police (AFP) eligible under the VEA
 - Allied veterans with a Health card to facilitate treatment in Australia on behalf of an Allied country
 - BCAL WW2 veterans with an Orange card who have access to subsidised RPBS pharmaceuticals
 - British Nuclear Testing (BNT) civilians
 - Civilians eligible for veteran-like entitlements.
- Dependant - clients who may receive payments or services due to their dependant relationship with a Veteran and who do not have an entitlement to treatment (DVA Health Card), e.g. Partner Service Pension, education payments, etc.
- Other Clients - clients who are not recognised in the above categories.
