How to get the most from your Seniors Card

- ✓ Always look at or ask for the standard retail price before asking for the discount or presenting your card.
- ✓ Have your Seniors Card number ready when making a booking or asking for a quote over the phone.
- ✓ Present your card before payment in retail stores, cafes and restaurants.
- ✓ Shop around and compare prices on big-ticket items. Just because you can get a discount somewhere doesn't mean it will be the best price around.
- ✓ Help to support the growth of the Seniors Card program by encouraging businesses in your local area to join.
- ✓ Always ask if the business offers a Seniors Card discount before purchasing.

- ✓ If you find out that a business does offer a Seniors Card discount but there is no promotional material, let them know they can order promotional material from the relevant Seniors Card website free of charge. This will encourage more seniors to shop there.
- ✓ Heading interstate? Take your Seniors Card. It's well worth keeping your Seniors Card on you as most states and territories honour discounts for interstate cards.
- ✓ Travelling overseas? Pack your Seniors Card. Thanks to a reciprocal agreement with the New Zealand government, Australian state Seniors Card holders can access discounts from thousands of participating businesses through the 'SuperGold Program.
- ✓ It can also be worth taking your Seniors Card if you travel to countries like Hong Kong, Singapore, USA and Canada, as many overseas businesses accept seniors cards if they offer discounted prices to their own seniors.
- ✓ Each state's Seniors Cards is valid for your lifetime and does not need to be renewed.
- ✓ If your state Seniors Card is damaged, lost or stolen contact the state agency that issued your Seniors Card for a replacement.

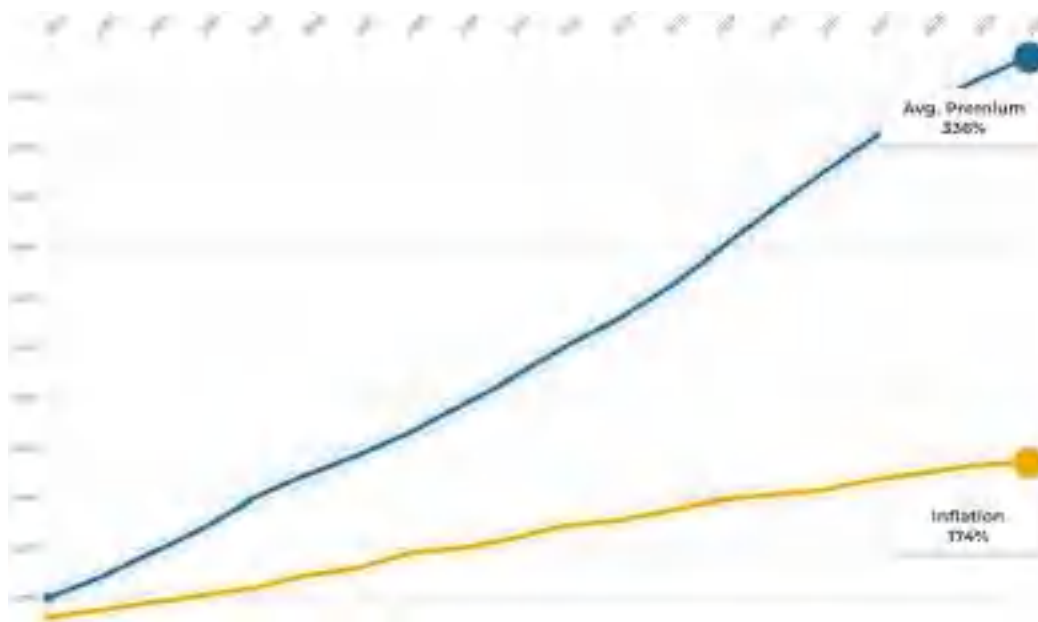

How to save on health insurance

We have partnered with a top comparison service called Health Insurance Comparison, and we believe it's perfect for those looking for extra savings on their household budget.

Health insurance premiums rose by a staggering **2.92% in October 2020** and then **again by 2.74% in April 2021**. This follows a series of annual increases since 2010. Now is the perfect time to check that you are getting the best possible price for appropriate health cover, before the 2022 rate rise.

Health insurance vs. inflation increases: 2001-2020

How much has the average health insurance premium increased compared to inflation?

Health insurance premiums have increased by 336% in the last 20 years, far outstripping the rate of inflation. With such regular rate rises, it's absolutely essential to review your cover every 12 months.

Many older Aussies don't realise they are paying significantly higher prices for their health fund to cover extras they will never use. Selecting your preferred coverage options with this new service will show you health funds with terms that are right for you – at the best prices.

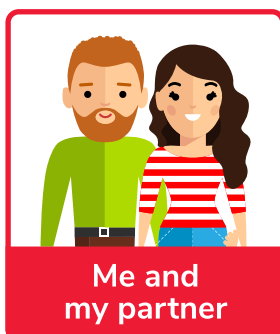

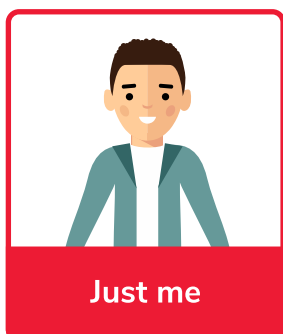

Are you ready to take control of your health insurance premiums and see how much you could save by switching? **YourLifeChoices** is working with Health Insurance Comparison, so you can compare big brand health insurance policies side by side, saving you time and money. It's easy to get started, simply choose your current life stage below.

How to save on your energy bill (NSW, SA, QLD, VIC & ACT only)

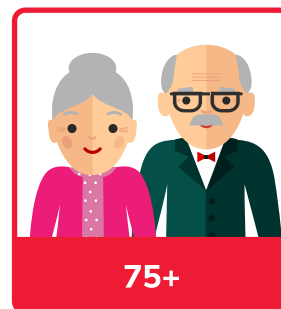

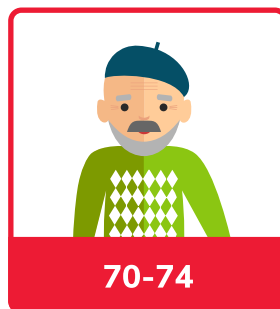

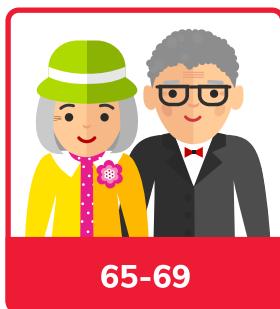

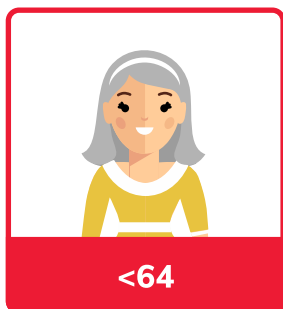

If you're a senior, **this tip could save you hundreds off your next bill**, whether you're a homeowner or a renter. Many of Australia's energy market regulators recommend that older Australian energy customers review their bills annually. This is because energy providers have been able to change rates without informing their customers. If you're a loyal customer, and you've been on the same plan for more than five years, **you could be paying hundreds of dollars more than someone who has just signed up.**

With prices on the rise, older Aussies deserve the chance to find a better deal. Why should you be paying more for the exact same thing, simply because you're not a market expert?

Hot tip: Use a comparison service, like [Energy Scout](#) that rewards senior switchers by giving them access to no-markup policies from energy providers across Australia. An energy comparison service makes it easy to find the best deals in your area. This makes comparison shopping for energy easy and, **best of all, it's totally cost and obligation-free.**

The Seniors Connected Programme

This is a government-run programme aimed at addressing loneliness in the older Australian community. The Seniors Connected Programme is a social outlet for those who may not have close friends or family living nearby and allows seniors to connect with each other.

These are its two main initiatives:

✓ FriendLine

FriendLine is a service operated by volunteers who offer friendly chats over the phone. The number is completely free to call and can be dialled between 10 AM and 8 PM daily. Call 1800 4 CHATS to speak to someone or visit the [FriendLine](#) website for more information.

✓ Village Hubs

Village Hubs exist to connect seniors (people over the age of 55) with each other in person. There are a number of hubs nationwide, so you can visit <https://www.ilaustralia.org.au/villagehubs> to find the one closest to you. Alternatively, send an email to villagehubs@ilaustralia.org.au for more information.

Frequently Asked Questions

What is the Seniors Card programme?

The ACT Seniors Card is part of an Australia-wide initiative jointly supported by the ACT Government and Council on the Ageing (ACT). Each state and territory has a Seniors Card Scheme and some reciprocal arrangements are in place for using your card in other states and the Northern Territory.

The scheme recognises the valuable contribution of older people in their local community.

The ACT Seniors Card is issued free and provides access to savings on a range of goods and services provided by participating businesses.

A combination of government and non-government businesses make up the 300 participating organisations that provide a number of benefits and discounts on a wide range of goods and services.

Where can I find out about available discounts?

Hundreds of businesses have signed up to offer discounts. [Click here](#) to see what you can save and where.

Also, look out for the 'Seniors Card Welcome Here' logo or ask for Seniors Card discounts when you're out and about.

How do I update, replace or cancel a card?

You'll need to call the Access Canberra Contact Centre to manage your ACT Seniors Card. **Phone: 13 22 81**

Can I use my card interstate or overseas?

Each Australian state and territory has their own Seniors Card scheme, but some reciprocal arrangements are in place. Double-check with the business that they offer a discount for ACT Seniors Card holders before making a purchase.

To find out more about participating businesses interstate, click on the state below.

Holders of the ACT Seniors Card have access to discounts and special offers on goods and services from some businesses involved in the New Zealand SuperGold Program. (This does not include transport concessions).

Look for the "SuperGold Cards Welcome" stickers when travelling in New Zealand, and ask if they also accept the Qld Seniors Card or Senior Savers Card. If a business does not offer discounts for Australian seniors, this will be noted on their website under 'exclusions'.

I am visiting from interstate or overseas. Can I use my card in the ACT?

Use the online discount directory to find the business discounts currently available, but note that not all businesses extend their offers to interstate and overseas cards so ask before purchasing if they accept your card.

Looking for more discounts?

We've jam-packed this ebook with as many deals as we could, but there are thousands more available on the ACT website. Here's how you can find the right discounts for you.

Could these new health insurance policies from just \$3.22 a day be right for you?

Now you can get Hospital AND Extras cover for just a few dollars a day.

If you haven't reviewed your health insurance in more than 12 months, there's a very good chance you're overpaying for your cover. This Australian owned and operated comparison service saved people an average of \$357.95 on their policies in 2020.

Health insurance from just a few dollars a day - what's the catch? No, it's not a scam. And no, it's not magic. In fact, it's incredibly simple. You tell us what types of cover are important to you (often things like hip and knee replacements, dental and optical) and what types of cover aren't important (often things like pregnancy, IVF, and orthodontics). Then we go out and try to find you a policy without any 'fat' - just one that meets your requirements.

“Over the years, I’ve spoken to hundreds of hardworking Australians who were unknowingly paying for cover they didn’t need”, says Andrew Davis, CEO of HealthInsuranceComparison.com.au. “It’s not at all uncommon to speak to people in their 50’s, 60’s, and beyond, who are still paying for things like pregnancy cover, orthodontics, and IVF”.

In 2020, we saved the average Aussie \$357.95 by helping them stop paying for cover they don’t use. It’s as simple as that. And we don’t charge any hidden fees or mark up the cost of our policies - they all come directly from the insurers themselves.

We handle all the switching paperwork for you, so you won’t need to have any awkward conversations with your old fund. And all our policies come with a 30 day cooling off period, so there’s no need to worry about buyer’s remorse.

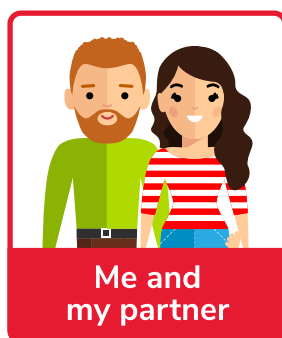

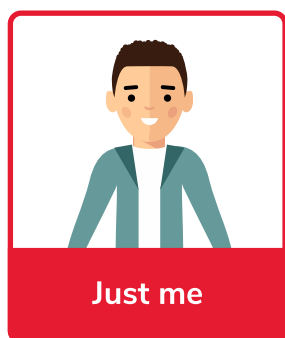

Here’s How You Do It:

Step 1: Select your current life stage below.

Step 2: Once you select your preferred coverage options, you will have the opportunity to compare quotes from multiple health funds.

Choose your life stage

I’m looking at health cover for...

There's a reason Aussies are stuck paying higher premiums for health insurance they don't need. According to Dr Anthony Bartone, Federal President of the Australian Medical Association, people are dropping their health cover due to the confusion in understanding what they are paying for, and the difficulty the average Aussie faces when trying to save money by switching health insurance policies.

Here are some tips to help you with switching your health cover, saving money and avoiding any confusion around what you're paying for:

- ✓ Know your needs: there's two different categories of private health insurance: hospital cover and extras cover. Hospital cover is for in-hospital expenses like accommodation, medicine, and doctor fees. Extras cover includes necessary services that are outside of hospital cover, like dental, optical, chiropractic and physiotherapy care. Unsure what you need? Our experts can provide you with a more in-depth look at what you really need and help you make a more personalised cover to suit your situation.
- ✓ Don't just set it and forget it: Regularly check-up on your health insurance needs and consider what you may need for the future. Remember, when switching health cover, you're protected by law when it comes to waiting periods. If you're switching to hospital cover that offers an equal or lower level of coverage, insurers cannot make you re-serve any additional waiting periods. On the other hand, if you're increasing benefits or changing extras cover, certain waiting periods may apply - but health funds sometimes run special offers that waive some waiting periods altogether.
- ✓ Shop around: there are different levels of insurance policies for hospital cover and extras cover. We recommend using our free comparison service and the help of our team of experts to compare different health funds, prices and levels of cover.

The Seniors Discount Club is working with HealthInsuranceComparison.com.au to help Australians 'ditch and switch' their health insurer, and turn back the clock on high premiums.

When you work with both our teams, you get the peace of mind that comes with working with trusted-professionals who have the years of experience needed to navigate the complicated health insurance system and keep you from any further confusion.

The Seniors Discount Club is a one-of-a-kind comparison service made for hard working Aussies. Our team of experts save Aussies an average of \$357.95** a year and in a few short minutes, you could be on your way to hundreds of dollars in savings.

Get Started Now:

Step 1: Select your state below.

Step 2: After answering a few questions, you will have the opportunity to compare quotes in your area and could be eligible for significant savings.

*The \$3.22 / day figure is based on a BUPA Basic Hospital + Low Extras policy, which has a monthly cost of \$96.54 in NSW for a single individual (assuming the maximum possible government rebate) as of 01/10/21. Prices may vary based on location and circumstances.

Frequently Asked Questions

What is the Seniors Card programme?

The programme was introduced in 1992 to acknowledge and show appreciation for the contribution of older residents to the community. It aims to improve the lives of seniors by aiding them with business discounts and government concessions when they retire.

What is the Senior Savers programme?

The Senior Savers card was introduced much later (July 2019), for over 60s that are not yet eligible for a Seniors Card as they are working more than 20 hours per week. Holders of the Senior Savers card get access to the same business discounts but are not yet eligible for certain government concessions or discounts on public transport.

Do I need both cards?

No, you will either be entitled to the Seniors Card or the Senior Savers card, having both cards has no extra benefit.

Where can I find out about available discounts?

Thousands of businesses have signed up to offer discounts. [Click here](#) to see what you can save and where.

Also, look out for the 'Seniors Card Welcome Here' logo or ask for Seniors Card discounts when you're out and about.

What should I do if I have lost my Seniors card?

If your NSW Seniors Card or NSW Senior Savers Card has been lost, stolen or destroyed and you need to replace it, you can do this online. You can do this by clicking the button below.

[Replace Online ▶](#)

You will need to enter your details. You will also be asked for your Seniors Card or Senior Savers Card number, but you can still order a replacement if you don't have this number.

How do I change my personal details?

If you have moved or if your registered details have changed, you can update them online or by calling 13 77 88.

Can I use my card interstate or overseas?

Each Australian state and territory has their own Seniors Card scheme, but some reciprocal arrangements are in place. Double-check with the business that they offer a discount for NSW Seniors Card holders before making a purchase.

Holders of both the NSW Seniors Card and the NSW Senior Savers card have access to discounts and special offers on goods and services from some businesses involved in the New Zealand SuperGold Program. (This does not include transport concessions).

Look for the "SuperGold Cards Welcome" stickers when travelling in New Zealand, and ask if they also accept the NSW Seniors Card or Senior Savers Card. If a business does not offer discounts for Australian seniors, this will be noted on their website under 'exclusions'.

I am visiting from interstate or overseas. Can I use my card in NSW?

Use the online discount directory to find the business discounts currently available, but note that not all businesses extend their offers to interstate and overseas cards so ask before purchasing if they accept your card.

Where can I find more information?

Visit the [NSW Seniors Card website](#).

Some of these include:

Each Australian state and territory has its own Seniors Card scheme. Some reciprocal arrangements are in place for using your NSW Seniors Card.

How Older Aussies Can Stop Missing Out on Health Cover Savings

Aussies aged between 56 and 74 are missing out on health insurance savings every year.

You could save up to \$357.95* on your health insurance.

We'll get straight to the point: **You're almost certainly overpaying for your health insurance.** We saved the average Aussie **\$357.95 on their policy in 2020** and there's a very good chance we can save you a similar amount.

When was the last time you checked what services your health insurance cover includes? Everyday, we see older Australians paying expensive health insurance premiums for services they'll never need, like couples aged 50+ paying hundreds of dollars more for pregnancy and IVF cover.

You might also be a victim of ‘premium creep’. While it’s true that most policies get more expensive over time, funds increase their premiums at drastically different rates. For example, over the last two rate rises, one fund had an **average increase of 2.92%**, while another had an **increase of 9.36%**. That’s over the exact same period of time and translates into literally hundreds of dollars of difference for essentially the same level of cover.

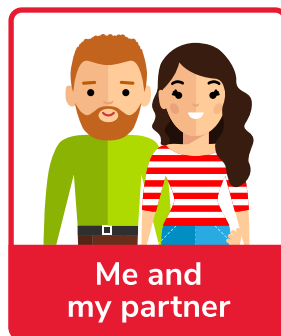

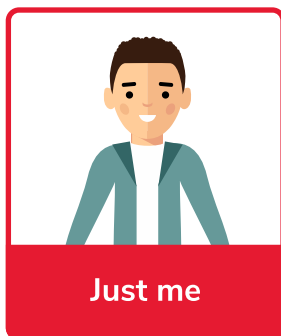

Here’s How You Do It:

Step 1: Select your current life stage below.

Step 2: Once you select your preferred coverage options, you will have the opportunity to compare quotes from multiple health funds.

Choose your life stage

I’m looking at health cover for...

Our free comparison service shows mature Aussies and retirees where to make big savings without compromising on cover and how to avoid paying for cover they don’t need.

Our award-winning comparison service is giving **older Aussies a fighting chance by giving them the power to compare health insurers cover options, side by side, saving them time, money and helping them make the best, most informed choices about their private health cover.** We are achieving this by teaming up with industry-leader HealthInsuranceComparison.com.au.

By teaming up our services, older Aussies can compare multiple health insurance brands, cover options and pricing all in one place. **Our service saves you time, but the biggest benefit for most is how much money you can save off your yearly premiums, in fact, our customers save an average of \$357.95* annually.**

Our services are customised too. When you first arrive at [Health Insurance Comparison](#) you will be asked for some basic details. The system then searches it's extensive database of policies to show you policies better suited to your needs, side by side, to help you make a well informed decision.

Get Started Now:

Step 1: Select your state below.

Step 2: After answering a few questions, you will have the opportunity to compare quotes in your area and could be eligible for significant savings.

Here at **YourLifeChoices**, we really do care about saving you money. When you work with the team at Health Insurance Comparison team, you get the peace of mind that comes with working with trusted-professionals who have the years of experience needed to navigate the complicated health insurance system and keep you from any further confusion.

Our team will make sure you have the cover you need, while paying the best possible price for the cover you want.

What is the Seniors Card programme?

NT Seniors Card is part of an Australia-wide initiative jointly supported by the Northern Territory Government and private enterprise. The program recognises the valuable contribution of older people to their local community and Territory as a whole. The Seniors Card is issued free and provides access to a range of goods and services provided by participating businesses. The program is managed by the Council on the Ageing Northern Territory.

What should I do if I have lost my Seniors card?

The seniors Card is a lifetime card, you do not need to renew it. If you require a replacement card due to loss or damage, please contact COTA NT at seniorscard@cotant.org.au

Or by phone on: 1800 441 489

How do I change my personal details?

If you have moved or if your registered details have changed, you can update them using the email address: seniorscard@cotant.org.au

Or by phone on: 1800 441 489

Can I use my card interstate or overseas?

Each Australian state and territory has their own Seniors Card scheme, but some reciprocal arrangements are in place. Double-check with the business that they offer a discount for NT Seniors Card holders before making a purchase.

Holders of both NT Seniors Cards have access to discounts and special offers on goods and services from some businesses involved in the [New Zealand SuperGold Program](#). (This does not include transport concessions).

Look for the "SuperGold Cards Welcome" stickers when travelling in New Zealand, and ask if they also accept the NT Seniors Card or Senior Savers Card. If a business does not offer discounts for Australian seniors, this will be noted on their website under 'exclusions'.

I am visiting from interstate or overseas. Can I use my card in NT?

Use the online discount directory to find the business discounts currently available, but note that not all businesses extend their offers to interstate and overseas cards so ask before purchasing if they accept your card.

Looking for more discounts?

We've jam-packed this ebook with as many deals as we could, but there are thousands more available on the NT website. Here's how you can find the right discounts for you.

Use the online discount directory to see all discounts available for you in the Northern Territory:

<https://ntseniorscard.org.au/discounts-directory/>

Each Australian state and territory has its own Seniors Card scheme. Some reciprocal arrangements are in place for using your NT Seniors Card.

Businesses in one state will generally recognise cards from another, but it's always best to double-check with the business directly.

If you are travelling to a different state for leisure or business, click on the state below to see deals and discounts available in that state.

State Queensland

There are three types of Seniors Cards available in Queensland. The standard Seniors Card, Seniors Card+go, and a Seniors Business Discount Card.

Seniors Card

This card offers the following benefits:

- ✓ Eligibility for certain Queensland government concessions
- ✓ Discounts on goods and services at participating outlets throughout Queensland.
- ✓ Access to the free Senior Shopper service.

The Senior Shopper service is a free phone-shopping service that helps you get the best deal on electrical goods, travel, motor vehicles, computers, mowers, power tools, furniture, white goods, lawn bowls gear, fishing tackle, pools, cameras and more.

Seniors Card +go

This card is for seniors who use, or plan to use, public transport in South East Queensland. It offers the same concessions and discounts as above, but also functions as a go card on Translink services:

To be eligible for a Seniors Card or Seniors Card+go you must be:

- ✓ Be a permanent resident of Queensland.
- ✓ 65 years or older and working less than 35 hours a week in paid employment

OR

- ✓ 60–64 years, working fewer than 35 hours a week in paid employment and the holder of one of the below:
 - ✓ Commonwealth Pensioner Concession Card, which you can find more information about here
<https://www.servicesaustralia.gov.au/individuals/services/centrelink/pensioner-concession-card>
 - ✓ Commonwealth Health Care Card, which you can find more information about here
<https://www.servicesaustralia.gov.au/individuals/subjects/concession-and-health-care-cards>.
 - ✓ Commonwealth Seniors Health Card, which you can find more information about here
<https://www.servicesaustralia.gov.au/individuals/services/centrelink/commonwealth-seniors-health-card>
 - ✓ Commonwealth Seniors Health Card, which you can find more information about here
<https://www.dva.gov.au/health-and-treatment/veteran-healthcare-cards>

Transport Discounts with the Seniors Card+go

You won't have to pay the usual \$5 deposit on the Seniors Card+go, and you will receive concession rates on trips using the TransLink services. A daily cap for Seniors is also in place: when you pay for two journeys in one day, you travel free for the rest of the day.

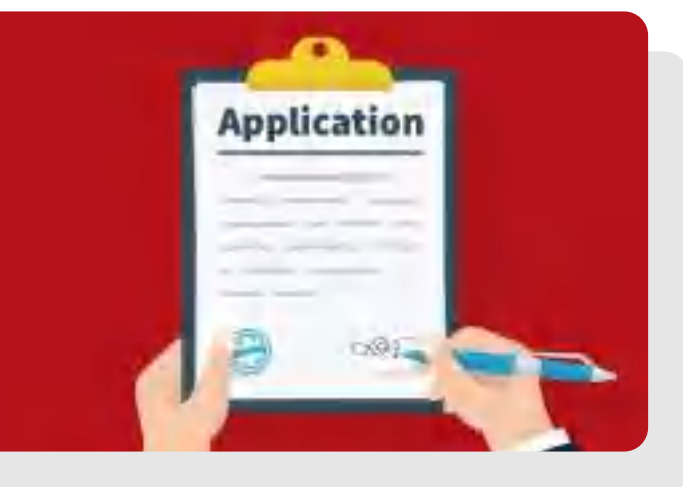

Seniors Business Discount Card

If you're not eligible for the Queensland Seniors Card or Seniors Card +go, you may still qualify for the Seniors Business Discount Card, which offers:

- ✓ Discounts on goods and services at participating outlets throughout Queensland
- ✓ Be a permanent resident of Queensland.

How to apply

There is one application process for all 3 cards. Once your application has been processed you will be issued with the card that you are eligible for.

You can apply:

In-person at a Queensland Government service centre. You can find your closest service centre here.

Over the phone by calling 13 74 68.

By post: Print and complete the application form, then post it to:

Card Services
Smart Service Queensland,
Reply Paid 10817,
Brisbane Adelaide Street,
QLD, 4000

You will receive confirmation when the application is processed, and the card will arrive in the post within 4 weeks.

When can I apply?

You can apply two months before your 60th birthday and your card will be issued when you turn 60.

What do I need to apply?

When you apply, you'll be asked for proof of age and address and will need to provide one of these four numbers:

1. Your Centrelink customer reference number (CRN)
2. Your Department of Veterans' Affairs file number
3. Queensland driver licence number
4. Queensland adult proof of age or photo identification card number

The name on your official document must be the same name used in your application.

Fees

Frequently Asked Questions

What is the Seniors Card programme?

The programme was introduced to acknowledge and show appreciation for the contribution of older residents to the community. It aims to improve the lives of seniors by aiding them with business discounts and government concessions when they retire.

What is the Senior Business Discount Card programme?

The Senior Savers card was introduced later. This card is for people over 60 years of age that are not yet eligible for a Seniors Card as they are working more than 35 hours per week. Holders of the Senior Business Discount Card get access to the same business discounts but are not yet eligible for certain government concessions or discounts on public transport.

Where can I find out about available discounts?

Hundreds of businesses have signed up to offer discounts. [Click here](#) to see what you can save and where.

Also, look out for the 'Seniors Card Welcome Here' logo or ask for Seniors Card discounts when you're out and about.

How do I update, replace or cancel a card?

Use the '[manage my card](#)' page to update, replace or cancel a card, upgrade from a Seniors Business Discount Card to a Seniors Card, or convert a card to or from a Seniors Card +go.

Register your go card to:

- ✓ Activate auto top-up or make a one-off top-up
- ✓ View your go card balance and travel history
- ✓ Update your account details and check your go card's expiry date
- ✓ Protect your balance if your go card is lost or stolen
- ✓ Transfer funds between go cards

How do I change my personal details?

Use the 'manage my card' page to change personal details. If you have changed your name, you need to email or post in supporting documents to prove this.

Visit this page to find out more:

<https://www.qld.gov.au/seniors/legal-finance-concessions/seniors-card/managing-seniors-card>

Can I use my card interstate or overseas?

Each Australian state and territory has their own Seniors Card scheme, but some reciprocal arrangements are in place. Double-check with the business that they offer a discount for Queensland Seniors Card holders before making a purchase.

Holders of both the Qld Seniors Card and the Qld Seniors Business Discount Card have access to discounts and special offers on goods and services from some businesses involved in the New Zealand SuperGold Program. (This does not include transport concessions).

Look for the "SuperGold Cards Welcome" stickers when travelling in New Zealand, and ask if they also accept the Qld Seniors Card or Senior Savers Card. If a business does not offer discounts for Australian seniors, this will be noted on their website under 'exclusions'.

I am visiting from interstate or overseas. Can I use my card in QLD?

Use the online discount directory to find the business discounts currently available, but note that not all businesses extend their offers to interstate and overseas cards so ask before purchasing if they accept your card.

What government concessions am I eligible for?

If you hold a Queensland Seniors Card or Seniors Card +go, you may also be eligible to access Queensland Government concessions.

Some of these include:

- ✓ Concessions that can reduce the cost of registering a vehicle or boat in Queensland for eligible applicants.
<https://www.qld.gov.au/transport/registration/fees/concession/about>
- ✓ Discount on a Stocked Impoundment Permit Scheme (SIPS). There are 63 impoundments (dams and weirs) in Queensland that require a SIPS permit to fish with a line. With a Seniors Card you will pay \$36 per year as opposed to \$50.
<https://www.qld.gov.au/recreation/activities/boating-fishing/rec-fishing/dams>
- ✓ Discount on Queensland rail travel to improve the affordability of long distance and urban rail services. On presentation of a current Australian state or territory Government Seniors Card, customers will receive a discount of up to 50% off the full adult rail fare on Queensland Rail Travel network services.
<https://www.queenslandrailtravel.com.au/PolicyCentre/Pages/Eligibleforconcessions.aspx>

Each Australian state and territory has its own Seniors Card scheme. Some reciprocal arrangements are in place for using your Queensland Seniors Card.

Got health insurance? Your 2022 premiums are the most expensive they have been in years. But now, you can get cover from just a few dollars a day

Eligible Aussies are getting the most affordable health cover on the market, at just \$3.22* a day

Government rebates that aren't well known allow eligible Aussies to get hospital and extras cover from \$23 a week.

Health insurance premiums are at an all time high thanks to price increases. But this doesn't have to be the case for you.

What few Aussies realise is that there are government rebates available that could help save you hundreds of dollars per year on your cover. In fact, once the rebate is claimed the daily cost for this kind of cover starts at just \$3.22* for a combined hospital and extras policy.

The Government will pay up to 32.8%, 28.7% or 24.6% of your policy depending on your age, income level, marital status, and cover history. If you're not claiming these rebates you could be flushing hundreds of dollars down the toilet every year.

If you speak to an advisor, you can find out if you're eligible for a rebate and find out how much you could be saving. In 2020, our advisors saved the average Aussies \$312* by helping them stop paying for cover they don't use.

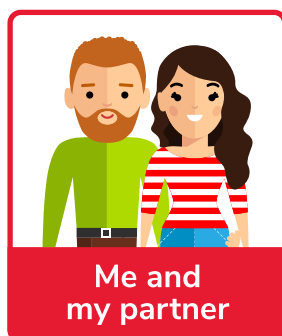

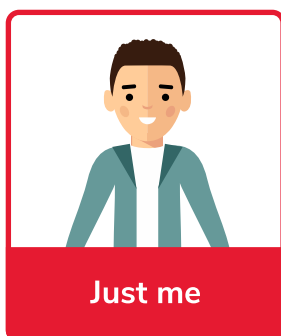

Here's How You Do It:

Step 1: Select your current life stage below.

Step 2: Once you select your preferred coverage options, you will have the opportunity to compare quotes from multiple health funds.

Choose your life stage

I'm looking at health cover for...

Is it too good to be true? Health insurance from just a few dollars a day?

No, it's not too good to be true. This isn't a scam or some kind of magic. In fact, it's incredibly simple. You tell us what types of cover are important to you, this is often things like hip and knee replacements, dental and optical cover, and what types of cover aren't important, often things like pregnancy, IVF, and orthodontics. Then we go out and try to find you a policy without any 'fat', just one that meets your requirements. We aren't here to give you cover you don't need. We are here to give you the cover that you want and nothing more or less.

“Over the years, I've spoken to hundreds of hardworking Australians who were unknowingly paying for cover they didn't need”, says Andrew Davis, CEO of HealthInsuranceComparison.com.au. “It's not at all uncommon to speak to people in their 50's, 60's, and beyond, who are still paying for things like pregnancy cover, orthodontics, and IVF”. We find this astounding and want to put an end to Aussies over the age of 50 paying for health cover they will never use.

In 2020, we saved the average Aussie \$312* by helping them stop paying for cover they don't use. It's as simple as that. And we don't charge any hidden fees or mark up the cost of our policies. All prices come directly from the insurers themselves.

We handle all the switching paperwork for you, so you won't need to have any awkward conversations with your old fund. And all our policies come with a 30 day cooling off period, so there's no need to worry about buyer's remorse. So want to see how much you could save? Well let's get started.

**Based on 25,311 policies in 2020.

Get Started Now:

Step 1: Select your state below.

Step 2: After answering a few questions, you will have the opportunity to compare quotes in your area and could be eligible for significant savings.

*The \$3.22 / day figure is based on a BUPA Basic Hospital + Low Extras policy, which has a monthly cost of \$96.54 in NSW for a single individual (assuming the maximum possible government rebate) as of 01/10/21. Prices may vary based on location and circumstances.

**Based on 25,311 policies in 2020.

Each Australian state and territory has its own Seniors Card scheme. Some reciprocal arrangements are in place for using your Tasmania Seniors Card.

Businesses in one state will generally recognise cards from another, but it's always best to double-check with the business directly.

If you are travelling to a different state for leisure or business, click on the state below to see deals and discounts available in that state.

State Victoria

Seniors Card

Eligibility:

There are two cards available to seniors in VIC, the Seniors Card and the Seniors Business Discount Card.

Eligibility for Victorian Seniors Card:

- ✓ Must be aged 60 or over
- ✓ Permanent resident of Victoria
- ✓ Must be doing 35 HOURS OR FEWER of paid work a week on average over 12 months (1820 or fewer hours over a year).

When you are approved for a Victorian Seniors Card, you'll also receive a free Seniors Myki card which gives you discounted public transport.

Eligibility for Victorian Seniors Business Discount Card

- ✓ Must be aged 60 or over
- ✓ Permanent resident of Victoria
- ✓ Must be doing 35 HOURS OR MORE of paid work a week on average across 12 months (1820 or more hours over the course of a year).

This card does not include discounts on public transport, but still offers many of the same discounts as a Seniors Card.

When you reduce your paid employment to less than 35 hours a week (averaged over 12 months), or you retire completely, you can convert your Seniors Business Discount Card to a Seniors Card.

Permanent resident of Victoria means that your primary residence, at which you spend the majority of the year, is in Victoria.

Benefits

Holders of both cards get:

- ✓ Discounts and deals at over 7000 businesses state-wide.
- ✓ Reciprocal rights in other states - show your card and ask whether they offer a discount.
- ✓ Access to the Seniors Card e-newsletter

In addition, Seniors Card holders get:

- ✓ Exemption from needing a Fishing License to fish in Victorian waters.
- ✓ Access to discounted public transport with a Seniors Myki card.

A **Seniors Myki card** gives you access to:

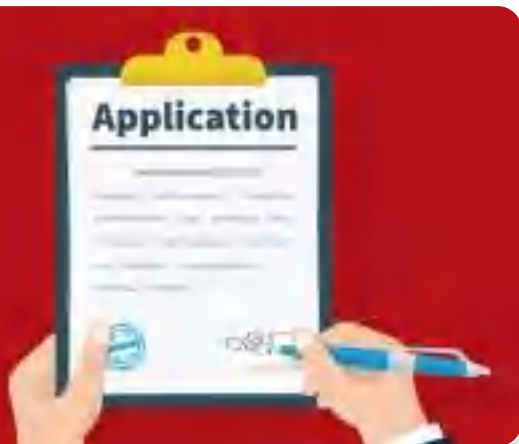

- ✓ Concession fares (a 50% discount on full fares) on trains, trams and buses, including V/Line trains and coaches. Free travel on Saturdays and Sundays in two consecutive zones (e.g. Zone 1 and 2) and on regional town buses.
- ✓ Free travel on all Victorian public transport during the Victorians Seniors Festival. Including Melbourne trains, trams and buses and regional trains, coaches and buses. Tap on and off as usual during this time, but you won't be charged for the trips!

Seniors Card holders are also entitled to free travel vouchers each year. You will need to register to receive the free travel vouchers.

Frequently Asked Questions

What is the Seniors Card programme?

The programme was introduced in 1991 to acknowledge and show appreciation for the contribution of older residents to the community. It aims to improve the lives of seniors by aiding them with business discounts and government concessions when they retire.

What is the Seniors Business Discount Card programme?

The Seniors Business Discount Card was introduced later, for over 60s that are not yet eligible for a Seniors Card as they are working more than 35 hours per week. Holders of this card get access to the same business discounts but are not yet eligible for certain government concessions or discounts on public transport.

Do I need both cards?

No, you will either be entitled to the Seniors Card or the Seniors Business Discount Card, having both cards has no extra benefit.

Where can I find out about the discounts available?

Hundreds of businesses have signed up to offer discounts. [Click here](#) to see what you can save and where.

Also, look out for the 'Seniors Card Welcome Here' logo or ask for Seniors Card discounts when you're out and about.

What should I do if I have lost my Seniors card?

If your Vic Seniors Card or Seniors Business Discount Card has been lost, stolen or destroyed and you need to replace it, you can do this online.

Click 'Replace a card' here:

<https://www.seniorsonline.vic.gov.au/seniors-card/manage-your-card/manage-your-details>

You will need to enter your personal details. You will also be asked for your Seniors Card or Senior Savers Card number, but you can still order a replacement if you don't have this number.

How do I update my contact or personal details?

Click 'update your contact details' here:

<https://www.seniorsonline.vic.gov.au/seniors-card/manage-your-card/manage-your-details>

Can I use my card interstate or overseas?

Each Australian state and territory has their own Seniors Card scheme, but some reciprocal arrangements are in place. Double-check with the business that they offer a discount for Vic Seniors Card holders before making a purchase.

Holders of both the Vic Seniors Card and the Seniors Business Discount Card have access to discounts and special offers on goods and services from some businesses involved in the [New Zealand SuperGold Program](#). (This does not include transport concessions).

Look for the "SuperGold Cards Welcome" stickers when travelling in New Zealand, and ask if they also accept the Vic Seniors Card or Senior Savers Card. If a business does not offer discounts for Australian seniors, this will be noted on their website under 'exclusions'.

I am visiting from interstate or overseas. Can I use my card in Victoria?

Use the online discount directory to find the business discounts currently available, but note that not all businesses extend their offers to interstate and overseas cards so ask before purchasing if they accept your card.

Looking for more discounts?

We've jam-packed this ebook with as many deals as we could, but there are thousands more available on the VIC website. Here's how you can find the right discounts for you.

Click [here](#) to access the VIC discounts directory. You'll be able to use various filters, like your postcode, to find discounts relevant to you.

The image shows a screenshot of a filter interface for the VIC discounts directory. It features three main sections: 'Offer Type', 'Location', and 'Keyword'. The 'Offer Type' section has three buttons: 'Any' (selected), 'Discount', and 'Special Offer'. The 'Location' section has three buttons: 'Any' (selected), 'My current location', and 'Enter a location'. The 'Keyword' section has a text input field with the placeholder 'Enter a keyword'. Below the 'Keyword' section is a 'Category' section with a dropdown menu currently set to 'All Categories'.

Each Australian state and territory has its own Seniors Card scheme. Some reciprocal arrangements are in place for using your Queensland Seniors Card.

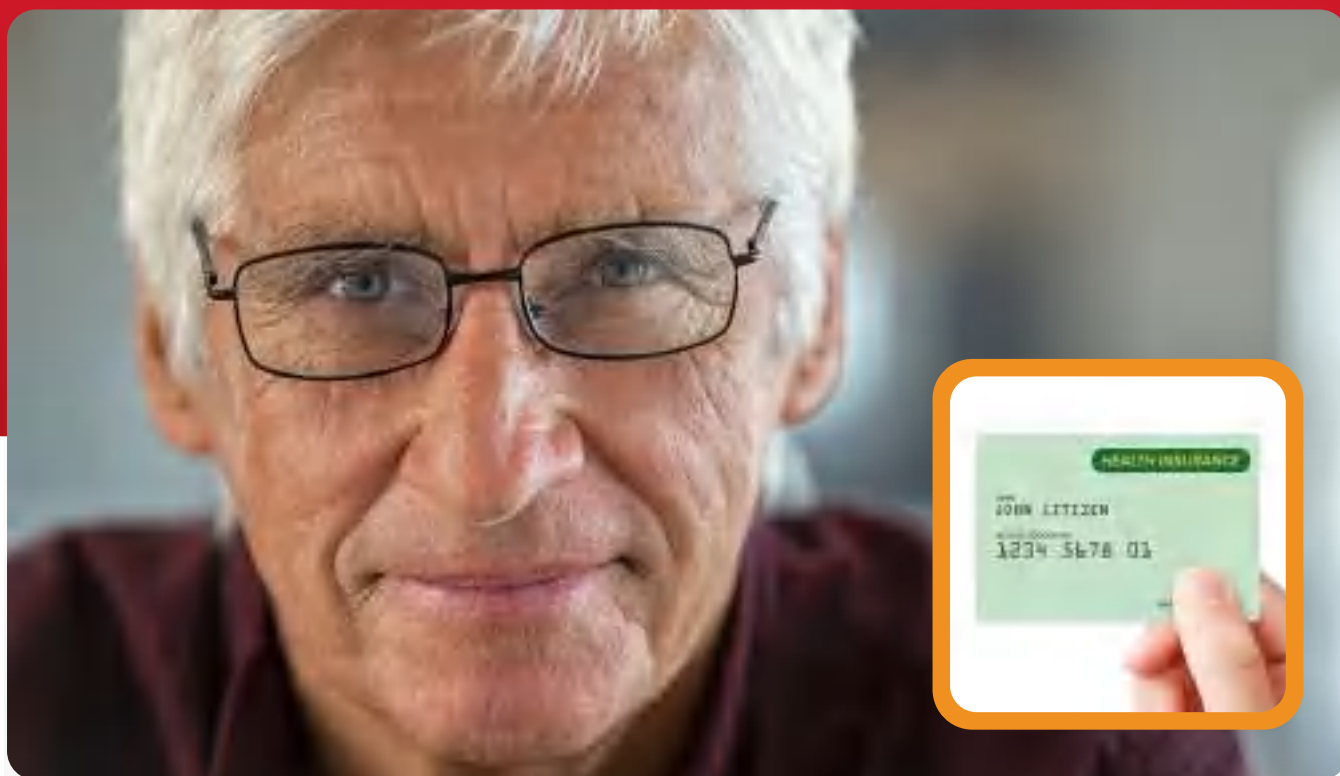

Businesses in one state will generally recognise cards from another, but it's always best to double-check with the business directly.

How Older Aussies Can Stop Missing Out on Health Cover Savings

Aussies aged between 56 and 74 are missing out on health insurance savings every year.

You could save up to \$357.95* on your health insurance.

We'll get straight to the point: **You're almost certainly overpaying for your health insurance.** We saved the average Aussie **\$357.95 on their policy in 2020** and there's a very good chance we can save you a similar amount.

When was the last time you checked what services your health insurance cover includes? Everyday, we see older Australians paying expensive health insurance premiums for services they'll never need, like couples aged 50+ paying hundreds of dollars more for pregnancy and IVF cover.

You might also be a victim of ‘premium creep’. While it’s true that most policies get more expensive over time, funds increase their premiums at drastically different rates. For example, over the last two rate rises, one fund had an **average increase of 2.92%**, while another had an **increase of 9.36%**. That’s over the exact same period of time and translates into literally hundreds of dollars of difference for essentially the same level of cover.

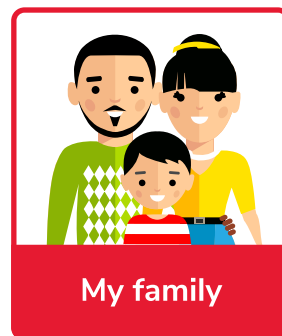

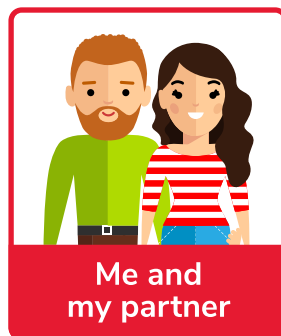

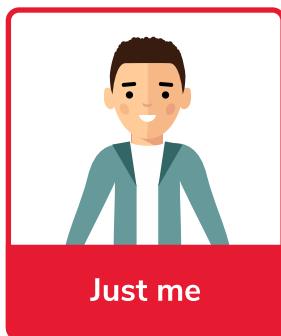

Here’s How You Do It:

Step 1: Select your current life stage below.

Step 2: Once you select your preferred coverage options, you will have the opportunity to compare quotes from multiple health funds.

Choose your life stage

I’m looking at health cover for...

Our free comparison service shows mature Aussies and retirees where to make big savings without compromising on cover and how to avoid paying for cover they don’t need.

Our award-winning comparison service is giving **older Aussies a fighting chance by giving them the power to compare health insurers cover options, side by side, saving them time, money and helping them make the best, most informed choices about their private health cover.** We are achieving this by teaming up with industry-leader HealthInsuranceComparison.com.au.

By teaming up our services, older Aussies can compare multiple health insurance brands, cover options and pricing all in one place. **Our service saves you time, but the biggest benefit for most is how much money you can save off your yearly premiums, in fact, our customers save an average of \$357.95* annually.**

Our services are customised too. When you first arrive at [Health Insurance Comparison](#) you will be asked for some basic details. The system then searches it's extensive database of policies to show you policies better suited to your needs, side by side, to help you make a well informed decision.

Get Started Now:

Step 1: Select your state below.

Step 2: After answering a few questions, you will have the opportunity to compare quotes in your area and could be eligible for significant savings.

Here at **YourLifeChoices**, we really do care about saving you money. When you work with the team at Health Insurance Comparison team, you get the peace of mind that comes with working with trusted-professionals who have the years of experience needed to navigate the complicated health insurance system and keep you from any further confusion.

Our team will make sure you have the cover you need, while paying the best possible price for the cover you want.
